

Sierra Quilt Guild Block of the Month

June 2018

Lattice Pinwheel

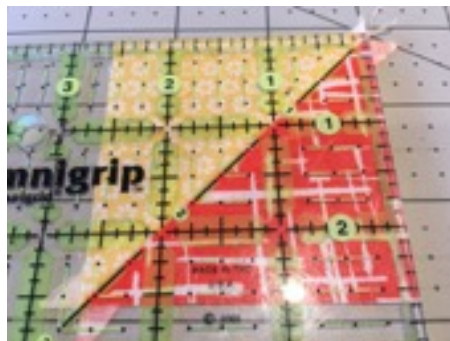

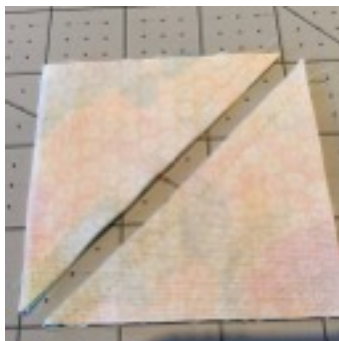

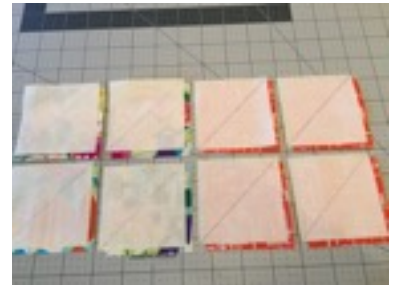

Completed block measures 8" square finished (8 1/2" square unfinished). All seams sewn at 1/4".

Fabric Requirements

Background: Eight 3" squares Print: Four 3" squares Contrast: Four 3" squares

Step One - Make HST (Half Square Triangles)

Draw a diagonal line on the wrong side of each background square. With right sides together, match pairs of the 3" squares as follows: 4 BR/4 Print, 4 BR/4 Contrast. Stitch 1/4" on each side of drawn line. Cut apart on drawn line and press seams open. Trim block to 2 1/2" square, matching the diagonal sewn line to the 45 degree line on your ruler.

Step Two - Arrange HST

Arrange the 16 blocks according to the photo.

Step Three - Stitch Blocks to create rows

Stitch the 4 blocks in the first row together. Press seams to the right. Stitch the blocks together in the remaining 3 rows, alternating the direction the seams are pressed to. Stitch the four rows together, nesting the row seams for easy matching.
