Block of the Month - September, 2019

Double Bow Tie Block

This is a quick and fun little block to make. The unfinished size of this block is 8", finished size will be 7 1/2".

Fabric Requirements:

Background Fabric: The background fabric is a white dot on black and will be supplied for this block.

You will need: five 3" x 3" squares of background fabric.

Bow Tie Fabric: You may choose any two fabrics that go well with the background fabric.

From each Bow Tie Fabric, you will need: two 3" x 3" squares and two 1 3/4" x 1 3/4" squares

Assembly Instructions:

On the wrong side of the 1 3/4" x 1 3/4" Bow Tie squares, draw a diagonal line from corner to corner.

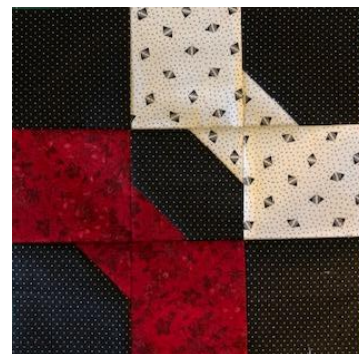

On the corner of a 3" background square, sew a 1 3/4" Bow Tie square from corner to corner along the marked line. Make the center square the same way but add Bow Tie squares to opposite corners.

Trim 1/4" from the sew line and press.

Lay out your block components and stitch the blocks together to form three rows.

Stitch the three rows together and press block open. Trim to 8" square.
