

## CATEGORY DESCRIPTIONS

**Art Quilt** – A quilt suited to hanging on a wall versus a bed quilt. An art quilt experiments with textile manipulation, color, texture and/or a diversity of mixed media. An Art Quilt often pushes quilt boundaries. Can be an original concept, inspired by a photo, or made from contemporary quilt art patterns.

**Modern Quilt** - The use of bold colors and prints, high contrast and graphic areas of solid color, improvisational piecing, minimalism, expansive negative space, and alternate grid work. "Modern traditionalism" or the updating of classic quilt designs would also fit in this category.

**Machine Appliqué:** This category includes appliqué that is attached by machine, raw edge appliqué, and machine embroidered quilts.

**Hand Work:** Items where the **main** feature of the quilt is handwork, such as hand piecing, hand quilting, hand applique, hand embroidery, wool appliqué, and surface design.

**Traditional:** Often thought of as a classic quilt, functional, usually made from blocks that have a history in quilting, made from a specific pattern, constructed more or less within the "rules" of quilting.

**30<sup>th</sup> Anniversary Challenge:** This quilt has been designed to celebrate the 30<sup>th</sup> Anniversary of the Guild. The block patterns for this category are available on the Guild website, along with the guidelines for completion. Quilt must measure no more than 50" x 50".
