

**SQG IS PARTICIPATING IN INTERNATIONAL  
HANG A QUILT OUTSIDE YOUR HOME DAY**

**10 am - 4 pm**

**Saturday, September 12, 2020**

**In Sonora and the Surrounding Area**

This is a grassroots idea started by the International Quilt Museum in Nebraska to help ease the void of missing our local quilt shows, state fairs, exhibitions, etc. because of COVID-19. On Saturday, September 12th let's all hang a quilt outside our homes visible from the street so we and our community can get out and enjoy a safe social distancing event.

Please sign up by Aug. 15th with Barbara Walker at [bwcatnip07@gmail.com](mailto:bwcatnip07@gmail.com) with

- Your name
- Your address
- Have a long driveway or a hard to get to home? Have extra space for someone else to hang? Let Barbara know, and she will match folks up who can share safely (use social distancing) Spread the word!

On September 12th just display one or more of your beautiful quilts either outside (weather permitting) or inside through a window, so people passing by can enjoy your art between 10am- 4pm. We hope to advertise this in the local paper, and allow for the community to participate. Expect to see an email invite and map in your box from [artistmbevier@gmail.com](mailto:artistmbevier@gmail.com) in September, which you can send out to friends and family members.

Share your joy in quilting! ❤️❤️
