The info. Below can be found online at https://support.zoom.us/hc/en-us/articles/360034967471-Quick-start-guide-for-new-users#h_f6105340-b0e5-45a5-81a1-12bc40d44a12

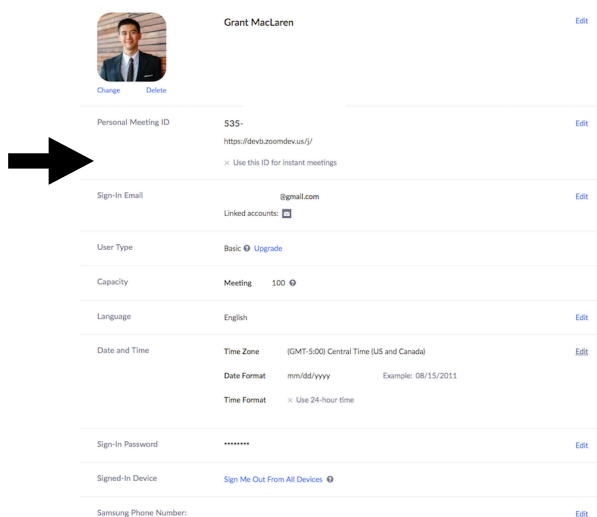

Creating your own account

To sign up for your own free account, visit zoom.us/signup and enter your email address. They may ask for your birthday to validate your age too. You will receive an email from Zoom (no-reply@zoom.us). In this email, click **Activate Account**.

Signing in to your Zoom account on the web

You can login to your Zoom account on the web at any time, at zoom.us/signin. Once you're logged in, use the panel on the left side to navigate the Zoom web portal. You can update your profile, schedule a meeting, edit your settings, and more.

*** Remember, that every person's screen will look a little different as we are all using different devices with different operating systems. The basic tools will all still be there, maybe just in different locations. Sometimes they take a minute or two to load so be patient. I recommend looking for the ... icon, the settings icon, or the More icon if you can't find what you need.**

Updating your profile

You can [update your profile](#) by adding a profile picture, set your time zone, update your password and more. To access your Zoom profile, sign in to the Zoom web portal and click **Profile**. If you don't see profile automatically, look for the settings icon and it should be at the top of the list. This is where you can upload your picture. Just follow the prompt
